The work of the Youth Service within the Diocese involves schools, youth faith groups, liaising with chaplains, organising the youth involvement in the Diocese Pilgrimage to Lourdes. More recently, there has been engagement with the World Youth Days as well as the Rome Synod on Youth.

The Youth Service must be flexible; ready to change and grow in response to the demands of the times but never compromising the call to serve the Gospel of Christ. Our 7th July celebrations allow us to thank God for the past and ask His blessings on the future.

Day For Life: The theme for this year's Day for Life focuses on all who are suffering or have survived domestic abuse. You can see what's involved by reading the leaflet given out with the bulletin.

Following discussion about violence in the home and domestic violence at the Synod on the Family. Pope Francis wrote, 'Unacceptable customs still need to be eliminated. I think particularly of the shameful ill-treatment to which women are sometimes subjected, domestic violence and various forms of enslavement which, rather than a show of masculine power, are craven acts of cowardice. The verbal, physical, and sexual violence that women endure in some marriages contradicts the very nature of the conjugal union.'

Parish Pastoral Council: Minutes from the recent PPC and Social Committee are on the notice board at the back of church. If you have any comments, let's have them in time for the next meeting.

Deanery Pastoral Councils: Bishop Paul has mentioned that as constraints on our parishes increase, he senses a need to have a forum within which to meet with and listen to representatives of the Lay faithful from across the Diocese. A first move would be to have more Lay representatives from each parish on our own Deanery Council. If anyone would like to lend their voice to what's discussed, we meet every quarter. Let Fr Alf know if you are interested and would like to come along.

Ordination to Priesthood: Deacon Stephen Talbot will be ordained to the Priesthood on Saturday 6th July at 11.30 in the Cathedral. This is a great and joyous occasion for our Diocese as there are so few men coming forward for ordination these days. It would be wonderful for our parish to be well represented at the Cathedral to offer encouragement to the new priest. If anyone would like to go I am happy to take the minibus. Please put your name on the list at the back.

The God Who Speaks: Scripture lies at the centre of everything the Church does. In 2020, the 10th anniversary of Pope Benedict's Apostolic Exhortation on "The Word of the Lord". Catholics in England and Wales will be celebrating, living and sharing God's Word with this exciting new initiative. Throughout the year, there will be events, activities and resources to participate in. To aid maximum participation, each Diocese is asked to discern and appoint "Scripture Champions" to act as a bridge with the National Planning Team. Bishop Paul is inviting expressions of interest from individuals, groups or even a parish, who would be interested in taking on such a role. More information will follow. The launch date for this is 30 September 2019, the actual year will start on 1 December 2019 and from January to December 2020 there will be a monthly web update. If any of our parishioners who love scripture, or we as a parish, would like to be part of the role let Fr Alf know.

Fleetwood Hospital Development: As you'll have seen in the Weekly News, there is an appeal for the new windows for the renovation of the hospital. Details are on the leaflets at the back of church.

Bishop Paul: From what I have heard Bishop Paul really enjoyed his stay with us last weekend. Being a Bishop can be a lonely existence, so to spend time with parishioners in an unofficial capacity, is a welcome break. Thank you for making him feel at home.
