

**BTH Trust seeking Staff and Public Governors:** Blackpool Teaching Hospitals is reshaping the future of healthcare on the Fylde coast and is now looking for a new cohort of Public Governors to play a key role in that journey. Public Governors at the Trust represent their respective local constituencies, support and help influence the Trust's decision-making processes in how it develops and delivers services for the people of Blackpool, Fylde, Wyre, Lancashire and beyond. The nine new roles are vacant after previous Governor terms came to an end. For more information on these roles and how to apply can be found at the following link [https://www.bfwh.nhs.uk/blackpool-teaching-hospitals-seeking-new-public-governors/?utm\\_source=Twitter&utm\\_medium=social&utm\\_campaign=Orlo](https://www.bfwh.nhs.uk/blackpool-teaching-hospitals-seeking-new-public-governors/?utm_source=Twitter&utm_medium=social&utm_campaign=Orlo)

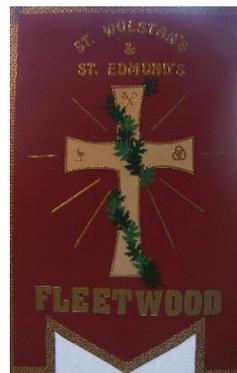

**Annual Pilgrimage to Cleator:** The Annual Pilgrimage to the Diocesan shrine of Our Lady of Lourdes at Cleator will take place on **Sunday 11th September 2022**. The principal celebrant and preacher will be Bishop Paul Swarbrick. Our theme this year is 'Our Lady, Help of Christians.' A broad interpretation of this title - acknowledging the needs of our world internationally and locally. We hope to provide tea and coffee. If needed people can bring their own packed lunch. As well as having a beautiful replica of the Lourdes grotto, we also have in the grounds of the shrine at Cleator statues of the Cure of Ars and St Therese of Lisieux. The pilgrimage will be an opportunity not only to honour Mary the Mother of God, but also these two great saints, and to ask their intercession for healing and consolation.

**Education Mass:** St Peter's Cathedral, Lancaster, Friday 7<sup>th</sup> October 2022 at 6:30 pm. All parishioners are invited to join Bishop Paul Swarbrick at the annual Diocese of Lancaster Education Mass. This invitation extends in a special way to all those involved in education and faith formation; priests, deacons, catechists, youth ministry, children's liturgy, those in seminary and teachers outside of the Catholic sector. The celebration gives us the opportunity to express our thanks and acknowledge the contribution made by all those in the Diocese involved in the work of education and formation in the faith. Together we ask for God's blessing on the mission of education and formation in our diocese

## NEW NOTICES

**Bulletin:** Please keep this copy of the bulletin for Mass times for the whole fortnight.

**Meetings this fortnight:** 1830 Thursday 4<sup>th</sup> August - Bible Share in Presbytery.

**Bonus Ball:** Nice to see Anne is back from holiday. So, no need for us to be kept in suspenders any longer. Here are the recent winners:

18 June. Alexander Currey and Vicki Hardacre with number 21  
25 June. Jean Whitehead and Jessie Graham with number 6  
2 July. Chris Lipton and Rosemary Kellaway with number 1  
9 July. Jill Cullen and Wyn Bellamy with number 45.  
16 July. Keith Earnshaw with number 23

**Blessed Vegetables:** The first crop of potatoes and broad beans which were put out at the back of church last Sunday, raised £31.00 pounds for the Foodbank. Thank you to all who donated. Hope they tasted good. More to come as the week's go on, with the added bonus, hopefully, of some honey from our Glory Bees. Yummee!

**CAFOD:** A note from our local CAFOD Rep. "Did you know that CAFOD, the Catholic Agency for Overseas Development, helps some of the poorest and most marginalised people across the world? We can reach so many people because we are a member of *Caritas Internationalis*, the Catholic Church network with a presence in 165 countries. Our local experts work with people over the long-term, helping them to have the right skills, tools and opportunities to live with dignity, and support their families. For example, in South Sudan we are helping families learn how to farm better as the climate gets hotter, so that they can cope better in the future when things get even more difficult. Thank you for your support."

**Roe v Wade:** In the light of all the publicity surrounding the recent reversal of Roe v Wade, The Society for the Protection of the Unborn Child has written to say that if change is possible in the US, it's possible here in the UK too. If you would like to be part of a campaign for change, building a true culture of life, in which every life is respected, and where no woman feels that abortion is her only choice, go to [www.spuc.org.uk/welcome](http://www.spuc.org.uk/welcome).

The focus on abortion in the media and public consciousness, will also be having an impact on those who have had abortions. As well as speaking up, with love, for the rights of the unborn, SPUC considers it vital to offer free non-judgemental counselling for women (and men) who may be suffering after an abortion, via their *Abortion Care and Recovery Helpline (ARCH)*. For more details call 020 7091 7091.

**PS from Brian Wood:** My nephew James was the Head Butler at Skibo Castle, the home of the Carnegie Club in the highlands of Scotland. This is the place where the rich and famous go for luxury breaks and lots of golf on the private course. The Castle itself and its contents are centuries old. I found it fascinating during my short visit twenty years ago. They often had American visitors, nouveau riche, who, James felt, often got a little above themselves. On one occasion, one of the Americans commented to James "This carpet is starting to look a little threadbare." James was able to reply "Sir, that carpet is older than your country." Dear Jesus, we welcome all our visitors from overseas, especially those with an interest in the history of these islands.

## REPEAT NOTICES

**Stephen's Next Move:** As mentioned at Mass last Sunday, the Bishop has decided to post Stephen to St Mary's, Morecambe, in preparation for his first year of seminary, hopefully at the Beda College, Rome, in late September. St Mary's will be his place of residence when he returns home during holidays. Stephen will be leaving St Wulstan's on 20<sup>th</sup> August, and I, personally, like many of you, will be sorry to see him go. He has been a great pastoral asset, not only to the Parish, but to Cardinal Allen and a fair number of the needy of Fleetwood in general, especially those with drug addiction.

**The Parish Ladies' Group:** Gill has asked me to let you know that her email account for the Group has been hacked by someone in America. Why? We have no idea! Gill has shut the account down and, for the time being, will inform you of what's going on via the bulletin.

**Latest Statistics from the Vatican:** 1 in 7 of the world's 7.8 billion people are baptised Catholics, 65.5 million children and young people are educated in Catholic schools. There are nearly 20,000 hospitals, clinics and dispensaries, 3 million catechists, 630,000 Religious Sisters and 414,336 Priests.

**Aged 16-24? Unemployed?** Patricia Benson and I had a very useful meeting with Mark Gilbert, the Co-ordinator of Fleetwood Youth Hub, based next door to the Pantry in the old hospital, to swap ideas on how we can support each other in what we are trying to do for young people. If you know of people between those ages who could benefit from help in development and support, confidence building and work experience, offered by the Hub to help transition them into work, call 07483 041028, or just call in.
