Healthier Fleetwood: On Wednesday 5th June, there are two major community events taking place:-

"It's ok to talk about cancer", an awareness event which will take a positive look at living with and planning for this devastating disease, takes place in the Marine Hall from 1-5pm. It will be led NHS, Macmillan Support and other Partners and will include local residents sharing their stories.

Also on that day, from 4pm-8.30pm at Emmanuel Church, there will be a showcase event from Lancashire Adult Learning of the many courses and activities they can offer residents. The course leaders would also like to share ideas of what you would like to see offered in Fleetwood in the future.

Church Cleaning: The next session will be on Monday June 3rd at 0930. If you can spare an hour to help, just turn up through the side door, by the organ. All help, however small, will be greatly appreciated by the regular cleaners.

Changing the Name: We've had a lovely suggestion about our parish project to sponsor a refugee family, which is to rename it 'The Welcome Project', so that's what we'll call it in future.

The Welcome Project: Unfortunately, we have not been able to 'recruit' a Project Manager yet, so I'll have to do it. Mary Bird has kindly offered to help me. Could all the Lead Persons meet at the presbytery on Wednesday at 6pm prompt for a quick update, lasting no more than half an hour, as I have to be at CAHS for the Deanery Mass at 7pm.

The Time is Now: Mass lobby of Parliament and Climate Pilgrimage. Politicians will only increase their ambitions for action on the climate crisis if they see we care. They will act if their constituents tell them that they want change. Join CAFOD at Parliament in Westminster on 26th June ask your MP to support ambitious climate action in line with the Paris Agreement of 2015. Don't worry if you are not an expert, CAFOD and the Climate Coalition will produce a briefing for your conversation with your MP. Together we will create a noise outside Parliament that can't be ignored.
