

"When you enter this church it may be possibly that you hear the 'call of God'. However, it is unlikely that He will call you on your mobile. Thank you for turning off your phone. If you want to talk to God, enter, choose a quiet place and talk to him. If you want to see HIM, send him a text while driving."

Repeats

Castlerigg Matters: There will be a Retreat for Young Adults (aged 18+) at Castlerigg from 20-22nd March led by Fr Hugh Pollock, reflecting on the "Year of the Word". There will also be an Easter Retreat for young people in Year 9 and above from 9th-12th April to explore the richness of the Easter Triduum and its importance for our lives. For more details go to director@castleriggmanor.co.uk.

Dowry of Mary: In preparation for the rededication of England to Our Lady, as mentioned last week, Bishop Paul has suggested that parishes pray the Angelus after our daily Masses, "so that our hearts may be prepared for this wonderful event." For those who like to pray the Angelus privately, the traditional times are 6pm, (or when you get up) 12noon and 6pm. As you know our church bells at St Wulstan's already sound the Angelus at 12 noon & 6pm. Leaflets for the Angelus are at the back of church.

Bi-Centenary Mass: The Cross and Passion Sisters, who did a lot of work in Fleetwood and St Wulstan's school, have invited our parishioners to attend their Bi centenary Pilgrimage Mass at 12 noon, 26th September 2020, in the church of St Anne and Blessed Dominic Barberi, Sutton, St Helens. If there is sufficient interest, we could take the minibus. Please let Maria Stansfield know if you are interested.

Transport to Mass: We are now in the process of getting some more drivers qualified to drive the minibus. Hopefully, we will then be able to arrange to bring people to Sunday Mass who otherwise wouldn't be able to come. If you are one of those people, please let the Eucharistic Ministers know, or ask someone to put your name and address on the sheet at the back.

Thankyou: CAFOD has written to thank us for our latest donation of £82.00 which has gone towards installing a solar-powered borehole at a school in Uganda, which has meant that children do not have to leave school to get water, thus improving their chance of a good education.
