Fleetwood Town Community Trust's successful National Citizen Service courses: are still running this summer. For further information go to <https://bit.ly/FTCTkdq>. Young people aged 15-17 are asked to volunteer and support their local community. NCS is a unique government funded opportunity for young people to go out, gain some crucial life skills, be heard and make a difference. Due to COVID-19, this year the programme is a little different from usual but there will still be 2-week programmes available throughout August for your son or daughter to sign up to. To sign up please contact our NCS team at John.Hartley@FleetwoodTownFc.com

Weekday Mass: As you'll see from the figures, quite a lot of parishioners have managed to get to one of the daily Masses. However, one lady told me she was reluctant to book ahead because she sometimes suffers a migraine, and wouldn't want to deprive someone else of a place if she had one and couldn't come on the day she booked. Just to let you know that, in spite of the recommended number of 30, we have in fact had spare room at every Mass, because lots of people come in their same household groups, thereby freeing up places that would have been taken had they come alone. So, please, don't feel that you can't come. There will always be room. Please feel free to ring if you prefer. Maria ~ 07732278730

Young SVP Vincentians' Summer Challenge: which all young people are invited to engage in over the next 6 weeks, most notably our "Seeds of Hope" and our "Summer Reading" Challenges for older young adults. We hope these challenges will help keep our young people focused and engaged in charitable acts during the summer holidays as well as providing some spiritual enrichment for them too and raising some funds for our SVP Covid Emergency Response fund. Please kindly have a look at them.

Postscript from Brian Wood: Today, there is a great pressure on marriages. The example given by the famous does not help and some couples are tempted to pull the plug at the first difficulty. Skilled help is available; it just takes courage to seek it. Dear Jesus, give peace to all married couples and let them seek help, if needed, before it is too late.

'Children's Challenge' This week's challenge continues

We are hoping to produce a booklet of children's prayers and letters to God.

Could you write a prayer or a letter to God and send it to wulstans@gail.com ?

All letters and prayers will be published on the website and then compiled into a booklet.

More details on our children's page on the website.

For more details and for pictures of our previous challenges, Please see our website.

REPEAT NOTICES

Volunteers for Faith in the Community: Work on the Pantry has been going on in earnest throughout June, and all signs are that it will be ready for handover by the end of July. The Pantry will be open Mondays to Fridays from 1000-1500, and will be staffed by volunteers, under a manager. There are many different types of volunteer work involved, and people are free to choose what they would like to do, and what day or days they would like to volunteer. If you would like to volunteer, please pick up a Volunteer Application Form from the back of church, or ask Fr Alf to drop one through your letter box. As you can see by the proposed date for opening, there is a little note of urgency in the appeal, so I would be very grateful for a speedy response if you are able to help. Thank you.
