### REPEATS

**The Pantry:** As we come to the end of the first week in our new premises in the old hospital, I'm pleased to be able to report that things have gone pretty well. Obviously, we are still ironing out some of the problems of adapting to new circumstances, but so far, so good. In the mornings we still take out food to those who, for one reason or another, can't get to the Pantry, then in the afternoons, individuals come to collect their food at a pre-arranged time. Just a reminder: if you know of anyone looking for help, the new telephone number for all contacts with the Pantry is **07467 498406**.

**Bonus Ball Payments:** We have had a very positive response from people about keeping the Bonus Ball going, which is great. Annual subscriptions are due in October - £50 for the year or £25 for 6months. Cathy Wilson, Treasurer, has asked that those who like to pay their subs to the Bonus Ball by cheque, make it payable to **ST WULSTANS CHURCH BONUS BALL CLUB**.

**Modern Slavery:** Is a fact of life which we are all too aware of. The Medaille Trust which, you may remember, came to give us a talk a couple of years ago, is at the forefront of combatting it. In preparation for Anti-Slavery Day on 18<sup>th</sup> October, it has produced an exhibition called UNMASKED which runs from Sunday 18<sup>th</sup> October -Saturday 24<sup>th</sup> October at <https://artspaces.kunstmatrix.com/en/exhibitions?title&label=Medaille+trust>  
There is also a week of free on-line events to boost knowledge, raise awareness and to tackle modern slavery in our community.

**NEW NOTICES**

**Bonus Ball:** Winners for 10<sup>th</sup> October were Chris Crowther and Charlotte O'Halloran with No 2 (for the second week running).

**The Bulbs have arrived:** Thanks to the Bonus Ball, we have ordered another stock of crocus bulbs for the front lawn and they have just arrived. This is the time of year for planting them, so if anyone would like to help us, we will be starting at 2pm this Saturday afternoon, weather permitting. Just turn up. We have a cutting tool for making the holes, but if you can bring a trowel please do so, to avoid having to keep sanitising the ones we have for different users.

**Good News Story:** While, due to the pandemic, our sponsorship of a Refugee family from Syria is still on hold, it's good to know that two of the Refugees already here in Fleetwood have managed to start a business. Ali and Khalid, two brothers, have recently purchased Roma Pizza Takeaway on Manor Road. They have undergone extension research and received lots of business support and advice which has resulted in them taking ownership of this business. Khalid has actually worked at the shop for over a year, so has a really good understanding of the business, so when it come on the market it made perfect sense for him to take it over. Siobhan, our Refugees' Co-ordinator writes: "I have been in to see them and sampled the pizzas.... which are delicious and not as expensive as you know who down the road from them"!!

**Update on the Moria Appeal:** The Ripple Charity have written to say: "A BIG thank you for all your support. Over the last few weeks, we have continued to collect and sort aid for Refugees in Moria and other areas in need of supplies, after the devastating fire. So far, we have sent 8 pallets with specific items that were donated and requested, and we have received notification that these have now arrived and are being distributed to the families in crisis. The response to this appeal has been amazing from the people on the Fylde Coast, we are so grateful for every item donated each of which has been issued out to the Refugees in one of the camps. On behalf of all those displaced people who are not able to provide for themselves or their families due to the appalling circumstances they find themselves in.....THANK YOU 🍀"

**Next Stoneyhurst On-line Talk:** will take place at 7.30pm on Thursday 22<sup>nd</sup> October. The topic is "Thomas Aquinas on Life, the Universe and Everything", and will be given by Fr Richard Conrad OP. For more details go to [www.christianheritagecentre.com/events](http://www.christianheritagecentre.com/events)

**One World Day:** as a follow up to the multi-national event at St Kentigern's last year, we are celebrating it in a different way (online) this year on Sunday 25<sup>th</sup> October. Details next week.

**A Note from CAFOD:** Our parish has raised a fantastic £214.92 for CAFOD's coronavirus appeal this Fast Day so far, and CAFOD has written to say, "We appreciate it's a very difficult time for many at the moment and want to say thank you for the ways in which you were able to highlight our Harvest appeal and encourage your parishioners to support. It really does mean a lot. Each and every donation will help around the world, as families face chronic food shortages, malnutrition and poverty. Your support will ensure our global family can survive, rebuild and heal. Thank you for your generosity and please keep our global family in your prayers at this time."

**St John Henry Newman:** Father Ted Tyler, an Australian priest, is offering a **Free e-book** called *John Henry Newman on the Sense of God in the Conscience*. This e-book may be downloaded free of charge to a computer / tablet / phone. It offers an account of the thought of Saint John Henry Newman on a topic central to his life, namely the Conscience, as involving a sense of God. There is also an accompanying free e-book appendix containing several of Newman's early manuscript sermons. These e-books may be passed on for downloading to friends or acquaintances as desired. They can be accessed at [www.catholic-thoughts.info/johnhenrynewman](http://www.catholic-thoughts.info/johnhenrynewman)

**Postscript from Brian Wood:** Can anyone explain to me how a seagull can glide with speed into a strong oncoming wind? It is the most remarkable feat of aeronautics, and clearly comes quite naturally to them. "It's easy" they cry "it's so easy"! Dear Jesus, once more we give you praise and thanks for the beauties of your creation.
