

**Lockdown 3 - A message from Bishop Paul:** Along with the latest information from the Hierarchy on the new restrictions, Bishop Paul has also written to the priests of the Diocese, (gently reminding us, I'm sure, that the Grace of Orders does not make us immune to Covid). What he writes, of course, applies to all of us:

"In the light of the new variant of the virus, which is more transmissible, I cannot stress enough the need for all of us to strictly adhere to the rules, and to ensure best hygiene practice in our churches at all times. If you feel unwell, and especially if you are displaying any symptoms of Covid-19, please do not attempt to lead any church services. You may also have noticed that 'shielding' is being re-introduced for the most clinically vulnerable. If you fall into this category, please take appropriate steps to protect yourself. In the spirit of the 'lockdown' rules, I would suggest that only pastoral visits which are absolutely essential are made at this time".

**Christian Unity Week 18-25<sup>th</sup> January:** It is truly wonderful and a great blessing to see how the various Christian churches work well, and get on well, together here in Fleetwood. This annual week of prayer for unity reminds us that it is the will and prayer of Christ that we may all be one. Pope Francis, in his recent letter to the world entitled Fratelli Tutti, (on fraternity and social friendship) has given us this prayer which we could all perhaps pray during the Octave:

*"O God, Trinity of Love, from the profound communion of your divine life, pour out upon us a torrent of fraternal love. Grants us the love reflected in the actions of Jesus, in his family at Nazareth, and in the early Christian community.*

*Grant that we Christians may live the Gospel, discovering Christ in each human being, recognising him crucified in the sufferings of the abandoned and forgotten of our world, and risen in each brother and sister who makes a new start".*

**ALPHA online from St Joseph's, Lancaster:** Starts on Thursday 14 Jan at 7PM via zoom.

Feel free to invite friends and family.

[www.castleriggmanor.co.uk/engage](http://www.castleriggmanor.co.uk/engage)

**Women in the Shadows - new course for Lent:** Each week, the course will concentrate on different forms of modern slavery facing women and girls in the UK today. Participants will learn more about how sexual exploitation, forced labour and drug smuggling can flourish in society, and what can be done to combat it, and to support victims when they escape entrapment. Through honest discussion and reflection, we aim to expose misunderstanding surrounding these sensitive subjects, meditate on God's heart for the poor and marginalised, and consider our response. Our hope is that many churches and communities will use the films and devotional material as their focus for Lent this year. In light of the latest lockdown, the ability to run a Lent Course online is key. The Women in the Shadows course will contain everything a church needs to run a successful online course and will require no extra preparation. The mini-films will kick off each session and be followed by a guided Bible study, reflection and prayer in an accompanying devotional booklet. For more information and to sign up: <https://www.theclewerinitiative.org/>

**Lancashire Adult Learning Virtual Careers Fair - Thursday 28th January:** A FREE online careers fair with an inspiring motivational speaker, interactive workshops, and mini bites from 7 different employers about their industries. **PS from Brian Wood:** Our Parish is indeed very fortunate. Many people have worked hard to keep things ticking over satisfactorily. Church cleaning, flower arranging, stewarding at Mass, keeping us safe, gardening and producing the crops, running the foodbank; the list goes on. Dear Jesus, help us all to keep helping others as we wait patiently for our turn to be vaccinated.

## REPEATS

**Walk for Water:** CAFOD has written to remind us that in 2021 the UK is set to host two major international meetings - the G7 and the UN Climate Talks (COP26). Climate change means that access to clean water is becoming more unpredictable. We know that one in three people around the world do not have access to safe drinking water. That's why this Lent, we're asking everyone who can, to take on our 'Walk for Water' challenge - Sign up, get sponsored and get walking - 10,000 steps a day, every day, for 40 days. Find out more at [cafod.org.uk/walk](http://cafod.org.uk/walk)
