

## REPEAT NOTICES

**Baptisms:** From May 17<sup>th</sup>, Step 3 of the Government's Covid 19 response comes into effect. Weddings, receptions, funerals, and commemorative events including wakes can proceed with up to 30 attendees. A broader range of stand-alone events will also be permitted, including baptisms, which will be private occasions for 15 attendees.

**Changes to Visiting at the Vic:** A note from Fr Andrew, the hospital Chaplain. As expected, last week the Trust's visiting policy was relaxed with patients now permitted to have one visitor for a specified one hour each day with time slots set for 2-3pm, 3.30pm-4.30pm or 7pm-8pm. For End of Life patients, the new limit is 4 visitors, but because of the possibility of these being drawn from more than one household, those visitors visiting patients at the end of their lives will be asked to take a PCR test.

## NEW NOTICES

**Bulletin:** Please keep this copy for times of Mass as there will be no bulletin next week

**Bonus Ball:** Winners for 24<sup>th</sup> April were Chris Lupton and Rosemary Kelloway with No 1, and for 1<sup>st</sup> May were Anne Monaghan and Clare Thomas with No 14.

**May Rosary Mission 2021:** The Pontifical Council for the New Evangelisation has chosen the National Shrine of Our Lady of Walsingham as one of the shrines worldwide to lead daily prayers for the end of the pandemic. More information on this is available from <https://www.walsingham.org.uk/> In addition to this Our Lady's Shrine in Walsingham is holding a Rosary Mission in the light of the Rededication of England as the Dowry of Mary, and extends the call for Our Lady's Protection and Queenship over the entire world. Each night at 8pm there will be a foundational Rosary - to Jesus through Mary led from a different Parish/Shrine. Sunday May 30<sup>th</sup> between 5-6pm is the Rosary Hour for the Diocese of Lancaster.

**Pentecost:** (*A note from Bishop Paul*). Looking forward to the Solemnity of Pentecost, I bring to your attention a Novena of Prayer for evangelisation and renewal of the Church. The Novena begins on the Solemnity of the Ascension. You will find the information and resources available from <https://www.cbcew.org.uk/home/events/thy-kingdom-come/pentecost-novena/> . It is my hope that there will also be a homily from the bishops of England and Wales as well as the Scottish bishops, which can be used on Pentecost Sunday.

**Preparing for Comeback:** Now that the green shoots of recovery from the worse part of Covid seem to be appearing, it's time to look forward to welcoming back those of our parishioners who have not been able to come to Mass for such a long time. It will be so lovely to see them all again. June 21<sup>st</sup> just a few weeks away now, is the designated day for most of the restrictions to be withdrawn, which means having no legal limit on social contact, although we will, of course, still be guided by the Government Instructions in force at the time. Hopefully, nearer the time, we will have a clearer idea of whether we still have to wear masks, or whether we can sing etc.

**St Edmund's:** For those parishioners who go to St Edmund's, it could be a little longer before we can resume public Mass there, as all our seating is of cloth, which cannot be sprayed and wiped down to the standards required after each Service. However, maybe those requirements may not be needed by June 21<sup>st</sup>! By the way, a parishioner mentioned to me a couple of weeks ago, that there was a rumour going round that St Edmund's will not re-open. That's exactly what it is - a rumour. No decisions have been made about the future of St Edmund's, as far as I know, and anyway, I would not allow a decision like that to be made without consulting the parishioners.

**Pro Life:** Earlier this year the Northern Ireland Assembly voted on the Severe Fetal Impairment Abortion (Amendment) Bill and it passed Second Stage by 48 votes to 12. The Bill will remove the current grounds in the Northern Ireland abortion regulations that were imposed on Northern Ireland, which allow abortion for 'severe fetal impairment'. Under these grounds, babies with disabilities including Down's syndrome, cleft lip and club foot can currently be singled out for abortion and can be aborted right up to birth. The Northern Ireland Health Committee is now undertaking a consultation on the Bill and is seeking submissions from the public. It is important that as many people as possible submit to the consultation in support of the Bill to clearly show that there is widespread support for this important change. Right To Life UK has set up an easy-to-use tool on their website that makes it simple to complete your submission. You can do so by following the link below. It only takes 30 seconds! **PS from Brian Wood:** Since the advent of Covid 19, our church choir has not met and has not sung at Mass. Its absence is noticed by everyone. If singing means praying twice, we have all been obliged to pray only once. However, the solo voice we hear on Sundays is a welcome sound and really embellishes the prayerfulness of the Mass. Dear Jesus, we thank you for Joe who uses his gift of singing for your greater glory and our consolation.
