**PS from Brian Wood:** Before the war, Fr Herbert Cockett SM was ordained and immediately left to go to Fiji as a missionary. He expected never to return home again. However, in the early 60's he became ill and had his left leg amputated. As a result of this, he came home. I first met him when he came to see my Mum and Dad who were in his class at school. He was a wonderful man and I loved being with him, every minute. I used to enjoy serving his Masses he said on the sideboard in his sister's home, after which we would have breakfast and play chess. He died in the 80's. Dear Jesus, keep Fr Cockett with you in Heaven and bless all those who travel to foreign parts to preach the Gospel.

**Bonus Ball:** Winning number for 12<sup>th</sup> June was 50. No-one has that number. Winners for 12<sup>th</sup> June were Anne Monaghan and Clare Thomas with No 14, and winner for 26<sup>th</sup> June was Angela Cole with No 19.

**This is very urgent:** The abortion lobby, led by the UK's largest abortion provider, BPAS, has worked with Diana Johnson MP to bring forward an amendment to hijack the Police, Crime, Sentencing and Courts Bill to **introduce abortion on demand, for any reason, up to birth** to England and Wales. This would be the single biggest change to abortion legislation since 1967 and would leave England and Wales with one of the most extreme abortion laws in the world. We are expecting that this radical proposal will be voted on by MPs this Monday. Please [contact your MP now](#) asking them to vote against this extreme amendment.

**Continued Need for Vigilance:** In his latest note, Fr Andrew, our Hospital Chaplain writes: I'm sure I don't need to tell you that the local situation is showing considerable evidence of the transmission of the Delta variant of the coronavirus and this is reflected not only in the local infection rates but in the numbers of patients in the hospital. After a number of weeks with no additional deaths, I'm sorry to report that the total deaths in the Trust has now increased to 767, and there are 12 patients in hospital within 14 days of their first positive test, of whom 2 are in critical care. The positive news is that there is good vaccination coverage in the vulnerable

**From Claire and Maria:** Dear Friends of the Holy Land, Are you missing our afternoon teas? Let's hope that when restrictions are lifted, we will be able to organise something delicious in the near future. In the meantime, please pray for the Palestinian Christians for whom there is no State Aid, and for whom the vaccination programme is slow. So many of them rely on tourism and pilgrimages for a meagre living. Their source of income is denied during the pandemic. Thank you.

**Our Parish Safeguarding Representative:** After many years, (since Fr Adrian Towers' time) of being the Lead Parish Safeguarding Rep, Tony Conboye has decided to step down. He has also served on the Diocesan Safeguarding Commission. In the early days being a parish Rep involved a huge amount of work setting up the procedures which we now take for granted. Over the years Tony has spent many hours administrating the DBS checks and making sure we are always up to speed with what is required by National and Church Safeguarding protocols. We owe him a great debt for what he has done to keep children and vulnerable adults safe in our care. I am happy to report that Ruth Brown-Leng is taking over as Lead Rep. If you have any safeguarding issues you can ring Ruth on 07511039743

**Global Warming: How can I cut my own emissions?** CAFOD have sent us quite a bit of information for our consideration in the lead up to the COP26 taking place in November. There are many ways you can reduce your individual carbon footprint, whether it's through cutting down on your energy consumption, for example installing insulation, switching to a green energy provider, or making sure you turn off your lights when you leave the house, through your chosen mode of transport, by committing to one car-free day a week, having a 'staycation' rather than flying abroad, or taking up cycling. Whichever way you decide to tackle climate change, remember small actions can have big impacts, not only on the environment, but on the welfare of our brothers and sisters across the globe. More ideas next week.

**Latest Course from St Joseph's, Lancaster:** Following on from their recent course, attended on line by about 40 people, I have received the following. We wished to let you know of another zoom group we are running called 'A Biblical Walk through the Mass'. For details see <https://ascensionpress.com/collections/a-biblical-walk-through-the-mass>. It will start on 22 July at 7pm for 5 weeks. Please share with anyone who may be interested. To register please email [alphalancs@gmail.com](mailto:alphalancs@gmail.com). We look forward to welcoming you.

**Next Stoneyhurst Course:** The course we are offering this summer is of particular relevance to catechists and teachers of RE, as well as those exploring the Catholic Faith and wishing to engage more deeply within it. **Faith & Reason: A Catholic Integration** will run from Thursday 5<sup>th</sup> to Sunday 8<sup>th</sup> August. The 3-day course will be led by two excellent and experienced lecturers and tutors, who have taught at the Maryvale Institute for many years and worked with many dioceses and seminaries around the UK and abroad. The course will offer lectures and discussion around common themes related to the rationality of the Catholic Faith, dealing with many frequently-asked questions, for example around the relationship of faith and science. We are offering residential options as well as non-residential, for those more local and wishing to drive in daily. The course will go ahead assuming the lifting of Covid restrictions in July. Any bookings will be fully refunded in the event of an inevitable cancellation. More information and registration is at: <https://christianheritagecentre.com/events/faith-and-reason/>

**Foodbank Donations:** If you would like to Gift Aid your donation to our Foodbank, now known as 'Faith in the Community', a form is available at the back of church, or from Fr Alf.
