

Pre-school Christian activity: Rev Carolyn at St Nicks has recently started a session on Fridays during term time from 0900-1030. She will do an input for the children on some aspect of Jesus' life, and the parents can have a little time together. It would be ideal for mums as follow-up to baptism before they go back to work, and it's free. If you would like to join, let me know and I'll pass on your details.

Month of the Holy Souls: November is traditionally a time of Remembrance, not just nationally, but in the life of the Church. Our tradition here is to have a box at the front of church into which you can put the names of all the people you would like our parish family to pray for. They will be remembered at every Mass throughout the month.

Open Evening: Our school will be holding an open evening for Reception Class Intake 2022 on Wednesday 10th November from 1700-1830. By appointment only on 01253 874785.

Catholic Diaries, Christmas Cards, Advent Calendars, gifts and Nativity sets etc
These items are all available from the repository stall in church or by contacting Maria (07732278730) if you are unable to get to church. Diaries are priced £3.30. Please let Maria know if you would like one as, unlike other items, leftovers are no use next year! Hundreds of items, including beautiful nativity sets, can be viewed online at www.cbcdistributors.co.uk (no priced unfortunately) but Maria is happy to advise on prices.

Christmas Draw: Tickets, priced £1 per book, are available at the back of church for our annual Christmas Draw which will take place on Sunday 5th December. We hope you will be able to support this as you did so generously last year. If you can donate a prize, there is a list at the back of church. We will not be holding our usual Christmas Fair this year, but we will, on Sunday 28th November, be having a tombola and cake sale after Mass. More details to follow.

Treacle Toffee & Butterscotch: These homemade sweets will be available, as usual, throughout November, priced 80p a bag.

Prayer for the care of creation: Walk beside us Lord in the cool of the day, in the garden you have created as our common home. Walk beside us Lord, as the cries of the forest pierce the dawn, and flames rip through our common home. Grant us courage Lord, as we walk beside all those who struggle to protect our common home. Grant us hope Lord, and the vision to walk dark paths in the light of a single sunbeam. Grant us grace Lord, to put the flourishing of all people and the wonder of your creation at the heart of all we do, as we strive to be guardians of our common home. S Francis, pray for us.

Commonplace: is an organisation Engaging Communities for Climate Neutral Cities. They have produced about three Webinars up to now, and their recordings are available on YouTube via their website. If you're interested in learning more about community led climate projects via Commonplace, there is a lot to delve into on our [climate page](#). During the webinar, we offered the chance to engage local communities in climate action for free using our platform, and there is still a chance to sign up to this offer. PS from Brian Wood: Early one morning, a few days after Pope John Paul I was elected, he decided to have a look round his new home. After negotiating many corridors and empty rooms, he found himself in a courtyard with a gate leading out into the street. In the meantime, his staff had put out an anxious alert "The Pope is missing". The Pope then walked out through the gate into the Roman street and stood there for a while in the sunshine, enjoying the view. He then stepped back into the courtyard just as the posse arrived. The Monsignor told the Pope in no uncertain terms that it was completely unacceptable for a Head of State to visit another country uninvited, unannounced, unaccompanied and unprotected. Under no circumstances must he ever do this again. Pope John Paul, smiling but chastened, returned to his apartments. Dear Jesus, we thank you for the gifts of seeing new things and greeting new friends.
