

REPEAT NOTICES

The Pantry: Now that 'Fleetwood Together' is officially finished as our joint enterprise during the two years of the pandemic, we have a new dedicated number and email for the Pantry alone. The number is 07852 989065, and the email is Thepantry-fleetwood@outlook.com

Queen's Jubilee Parish Party: Will take place after Sunday Mass on 5th June with attractions for all ages. There are three lists at the back of church. One for numbers and names of those attending, one for those who would like to help with things like face-painting, running a game or event, decorate a cake competition, penalty shoot-out etc, as per the list, and the third for contributions of food and dishes for a Jacob's Jamboree. Unfortunately, all our usual Barbecue specialists are away that weekend. The plan is to have a long table (or two) decked in union jacks etc as they did in the 50s at the time of the coronation. So, all hands to the pumps to make it a memorable day, in tribute to a truly remarkable person who has served our Nation faithfully for so many years.

Finding Jesus in the Eucharist, the Poor and Creation: Saturday, 4th June, 2022. The event will be held in St Wilfrid's Parish Centre, Preston and we are thrilled to announce that Fr Eamonn Mulcahy will be our keynote speaker on the day. Event link: [Book via - Eventbrite - Finding Jesus in the Eucharist](#) or through the Lancashire Faith & Justice website: [website http://www.lancasterfaithandjustice.co.uk/](http://www.lancasterfaithandjustice.co.uk/) (first page) or ldfjsue@gmail.com.

Volunteer Needed: After 38 years of cutting the grass and looking after the outer fabric of St Edmund's church, Pip Lupton is having to call it a day because of health issues. As you would all agree, Pip has done a fabulous job, the grounds always looking immaculate, even during these last two years of Foodbank use, when wheelie bins have been trundled back and forward across the edges. Would anyone like to take over from Pip? If so, could you please let Fr Alf know. Pip will be happy to show you the ropes.

NEW NOTICES

Bulletin: Please keep this copy for Mass times as there will be no bulletin next week.

Bonus Ball: Winner for 7th May was Anne Holland with No 39. In all the years Anne has been running the Bonus Ball, this is the first time she herself has won it!

Meetings This Week: Thursday 19th 1830 Bible Share in the presbytery.

A Tale of Redemption: Stephen, our potential student for the Priesthood, will be giving his postponed talk on his early, rather colourful life, at 6pm on Wednesday 18th May, in church. He has already given the talk to Year 11s at Cardinal Allen, and much good has come from it. All welcome.

World Bee Day: is Friday 20th May and is designed to draw attention to the immense importance of bees in the great circle of life. At the moment our own five hives of 'Glory Bees' are thriving so, hopefully, we will be able to take some honey this year. You are very welcome to visit them on Saturday 21st or Sunday 22nd but don't expect them to pay attention to you - they're far too busy.

Compassionate Fylde Coast Communities: Last Friday I attended a course run by the NHS on 'Last Days Matter', a programme to help palliative patients, families and their carers prepare for the end of life journey. To achieve their ambition, they would like to recruit, train and connect volunteers into a more integrated effort to help support people, their families and communities. If anyone is interested in becoming a volunteer, see Fr Alf for more information.

Castlerigg and World Youth Day 2023 // Lisbon: We are delighted to have launched our package for Lisbon 2023. Be part of the diocesan group, make some friends, deepen your faith, and see Pope Francis. A few million people will be descending on Lisbon next summer. To join them, check out our website for more details. www.castleriggmanor.com

A Note from CAFOD on the paradox of abundance: Over 800 million people go hungry each day. Yet the world produces over 4 billion tonnes of food and we only need 3.7 billion tonnes to feed everyone. From all this food produced, a third is wasted. St John Paul II called this 'the paradox of abundance.' Clearly the currently global food system is not working. But as Pope Francis said, "Each of us has a role to play in transforming food systems for the benefit of people and the planet." Let's respond to his call! CAFOD's new campaign is called Fix the Food System. See www.cafod.org.uk/food for more information, including an invitation for parish groups to learn about the impact of our food with our Fix the Food System: a 7-station journey resource.

Job Opportunity: Our Parish Website is managed by a Firm called Hubb who have emailed 'We are very excited about the opportunity to hire more software developers to help Hubb achieve our mission of helping churches to save time and money on administration and help them focus more on their mission of reaching the lost and equipping their members. As the role can potentially be remote we wanted to get in touch with you, our customers and see if this role would be a blessing to someone in your church who is experienced in software development and looking for a new role'. PS from Brian Wood: When Pope St John XXIII was the Patriarch of Venice, he used to go walking around the city with his secretary, meeting people and chatting to them. One day he met a priest from one of the local parishes and noticed immediately that the priest's cassock was old, threadbare and worn. When he got back to his office, the Patriarch immediately ordered at his own expense, two cassocks to be delivered to the priest with his compliments. Dear Jesus, please give me something of the Patriarch's charity and generosity.
