Patrick's Pots: About half a dozen people have so far expressed interest in Patrick's idea of parishioners donating an earthenware pot full of flowers, or a plant, in memory of someone they love who has died. Please let Fr Alf know if you would also like to be included.

Free Resources for The Blind: The Xavier Society for the Blind have been providing free braille and audio materials to blind and visually impaired people worldwide since 1900. Their materials are spiritual and inspirational, mostly in the Catholic tradition. They have hundreds of books available in braille and audio and serve clients of all ages. Their books range from biographies of saints and classics like Confessions, to more contemporary titles by popular authors like Scott Hahn and Matthew Kelly. One of their biggest lines of service is the Mass Propers - the readings, prayers, and responses to the Mass on Sundays and special Feast days (basically the Missalette). These are available in braille, audio, and large print. For more information see the link below:

Computers - Mike Smith, one of our parishioners, writes: The West Fleetwood Computer Clinic is a group of volunteer 'Geeks' who have been repairing computers free of charge for over 8 years. During COVID they refurbished and donated nearly 400 laptops to local schools and individuals. They have a few laptops and desktops for donation. If you know of any groups or individuals who would benefit, or for more information, please contact the group through their Facebook page, www.facebook.com/wfcomputerclinic.

Fylde Memorial Arboretum: For those who don't know, as I didn't until recently, there is a lovely arboretum in Bispham, well worth a visit, a place of peace, reconciliation and tranquillity amidst the hustle and bustle of the industrial estate nearby. I came across it because I've been asked to dedicate a memorial stone there for the 40th Anniversary of the Falklands War. This will take place at 1100 on Friday 24th June. If anyone would like to come, I'm happy to take the minibus. Let me know.

NEW NOTICES

Bonus Ball: Winners for 11th June were Chris Lupton and Rosemary Kellaway with No 1.

Baptism: Today we will welcome Freddie Andrew Parry-Jones into our Parish family in the beautiful sacrament of Baptism, as Flossie, his 4 year old big sister, reminded me several times, in my visit to Nursery this week.

1st Holy Communion: Also this Sunday, Corpus Christi, six of our children will be receiving Jesus in Holy Communion for the very first time. These children have been an exceptionally good Class, a delight to our long serving Catechists Annie Benson and Pauline Garrett. We pray that, with the support of their parents and families, they will truly treasure this greatest of all God's gifts and go on to have a wonderfully close relationship with Jesus throughout their lives.

Priestly Ordination: What a week for Sacraments! On Saturday Dan Daly, who was with us on placement here at St Wulstan's a few years ago, will be ordained a Priest for the Diocese of Westminster. I am planning to be there in spite of the upcoming national rail strikes, and hopefully will be back in time to celebrate Sunday Mass with you. So, no Mass here on Saturday morning. Fr Dan has kindly agreed to come back to Fleetwood to celebrate Mass for us in August.

Great News: Earlier this week Stephen found out that he has been accepted by the Diocese to train for the Priesthood. The Bishop's intention is to send him to the Beda College in Rome, so please say a prayer that, because of past events, there will be no problem in obtaining a Visa.

Castlerigg: The Youth Service apologises for the fact that the Open Day scheduled for July 17th at Castlerigg Manor has been postponed until later in the year.

Tram Sunday: St Mary's has asked us to join them for a 'Fun-Filled Day' on Tram Sunday, 17th July, which is one of their major fund-raising days, in which they provide teas, cakes, sandwiches etc for the revellers passing by, so it would be good to support them if you're going.

Citizens' Advice: is looking for individuals with digital skills, to join their team based at Fleetwood Market. The job is to help others with accessing on-line information and form filling. Training and supervision is provided. Call into CAB Office on Market days (Tue, Thur, Fri, Sat), phone 01253 770527 or visit its website.

Job Opportunity for Young People: The Prince's Trust has announced a "Get into Hospital" partnership with Blackpool Teaching Hospital, designed to find carers in the Health and Social Care sector or 18-30 years old. It's a 3 week work placement at the Vic, and upon successful completion of the course, the individual; will be offered bank roles and an opportunity to apply for permanent roles. Prince's Trust will assist with all recruitment paperwork, provide DBS and uniform costs and support young people throughout the journey and into employment. Selection interviews will be held in July. To apply go to OutreachLancs@princes-trust.org.uk

Missio: Is the national organisation for England and Wales, which organises support for the Foreign Missions. We have just received a letter of thanks from the Director for our Red Box donors and collectors, and a report which shows how much has been achieved throughout 2021. It says: "The prayers and donations of your parishioners have enabled Catholic Communities across the world to serve those in greatest need, and share the Gospel of God's saving love".

CAFOD: We have also received a letter of thanks from CAFOD. "CAFOD says a huge thankyou for all your support, prayers and donations for the people of Ukraine. Catholics in England and Wales have donated over £3 million, which is enabling immediate, practical support - provision of food, clothing, shelter and transport. Please keep the people of Ukraine and all our brothers and sisters who face daily suffering, in your prayers".

PS from Brian Wood: Our Parish priest in Eccles, Father Michael, suffered, as a child, from cystic fibrosis and he eventually received a lung transplant. However, years later, his body started to reject his lungs and we all knew he was dying. He wrote a letter of goodbye from his hospital bed which was read to us at his funeral. Very moving. He had a very lively self-deprecating sense of humour. He once told us he was very pleased with himself when he invented a computer programme which allowed him to print out a full wedding booklet by just changing the names of the bride and groom. However, the first time he tried it, for the wedding of Sharon and David, he found that at the bidding prayers, when we join our prayers to those of Our Lady, it read "Hail Sharon, full of grace....." Back to the drawing board! Dear Jesus, may Fr Michael rest in peace with you for ever.

STOP PRESS: News has just come in that Joan Casey died today. May she rest in peace.

REPEAT NOTICES

Annual Mass in the Cemetery: will take place at 1130 on Saturday 2nd July for the repose of the souls of all those we have loved and lost, particularly during the last 12 months.

Diocesan Pilgrimage to Ladywell: Takes place on Saturday 9th July, starting with Mass at St Mary's, Fernyhalgh at 1100, followed by a Blessed Sacrament procession to Ladywell for Benediction. The Bishop would like as many altar servers as possible to attend from around the Diocese in their altar servers' robes. After Benediction there will be a BBQ for all servers in the grounds. Will all altar servers (adults and children) who would like to come sign the proforma in the sacristy before 24th June so I can let the organisers know how many to cater for. I will take the minibus.
