NEW NOTICES

BONUS BALL WINNER: 23rd March - No 51 - Phil Bowker.

DEFINITIVE SUNDAY MASS TIMES: Thank you to the large number of parishioners who came into the Green Hut after Mass last Sunday to discuss the above. After a number of suggestions, from various parishioners, 9am rather than 9.30am was settled on by the majority present. The reason was to give Fr Alf plenty of time not to have to dash off to the next Mass which will be at St Mary's at 11am. The new times will come into effect from Sunday 7th April.

TRANSPORT: If some of our parishioners find the earlier Mass a bit of a struggle, we are happy to make the minibus available to take them to St Mary's. It means that they can join us in the Green Hut at 10.00 to meet their friends, before leaving for St Mary's. A list is at the back of the church for those who might like to do that.

MEETINGS THIS WEEK:

Wednesday 3 rd April	1830	Meeting with St Mary's parish community in St Mary's Church
Thursday 4 th April	1830	Bible Share in the Presbytery (W)

FAREWELL TO MRS BARNES: Wednesday's Mass was quite an emotional occasion, not just for Mrs Barnes, but for the staff and children, a good number of them in tears. Most of the children's tributes were in thanksgiving for what she had given to their prayer life, especially the Rosary. In my own personal tribute, I acknowledged the wonderful contributions she has made to the Catholicity of the school with the following : - When Jesus was starting his public ministry two of his disciples brought a man called Nathaniel to him. Jesus looked at him and said to the others, "Here is an Israelite, worthy of the name, incapable of deceit." He meant he was honest, a man of integrity, someone who does what he promised to do. When you came here you promised to do your best to nourish the faith of our children, not just by teaching it, but by living it. This you have done throughout your time with us, for which I, personally, and many of our parents, certainly our parishioners, are very grateful. Thank you so much - we will really miss you and we pray you will be very happy in your new post.

THE VOICE: which didn't turn up last week as scheduled has now arrived. Please take your copy from the back of church.

MENOPAUSE & WELLBEING SURVEY: Siobahn Tweedle, who many of you will know from the involvement with our Syrian Refugees, is asking for the above. Join **Healthwatch Blackpool**, an independent charity dedicated to representing residents' voices in health and social care services. They are currently conducting a survey to address the impact of menopause and wellbeing on women, their families, and employers. Your insights will inform a comprehensive report sent to Public Health England, shaping future policies and support systems.

Together, let's shape local support and understanding for menopause-related challenges. Your input matters!

NEXT RETREAT FROM DONNA WORTHINGTON-THE WOMAN WHO ANOINTED JESUS

Imagine a woman walking through the streets to Jesus... She wants to do a brave thing for him before he dies. She carries a bowl of exquisite, expensive perfume in her hands... And Jesus' responses: 'She has done a beautiful thing to me'. 'What she has done will be told in memory of her.' We will explore this incredible Gospel text through drama, reflection, discussion, prayer.

MISSION APPEAL: On Sunday 14th April, Fr Peter Smith from the White Fathers (The Missionaries of Africa) will speak at both our churches. The White Fathers are an international team of priests, brothers and lay associates from Africa, Britain and many countries around the world. Any ministry which has a real relationship with Africa, no matter in what part of the world it may be, is considered by the Missionaries of Africa to be within the scope of the apostolate. Through parish work, building up small Christian communities, working with the media, involvement with justice and peace, agriculture, seminary training, education and social welfare the Missionaries of Africa aim to work in partnership with the Church in Africa...and above all else to help build up the leadership of the Churches.

LOST A MOBILE PHONE?: A small mobile phone has been found in church. Please see Fr Alf if you have lost one.

PS FROM BRIAN WOOD: Group Captain Douglas Bader was an RAF flying ace during the Battle of Britain, in spite of losing both his legs in a pre-war flying accident. In August 1941, he was shot down over France and taken prisoner. He was sent to Colditz Castle where he stayed until the Castle was liberated by the US Army. He requested permission to go out of the Castle for walks in the local countryside. The Germans were much amused by a legless man asking to go for walks. He was given permission. What the Germans didn't know was that he would fill his hollow legs with chocolate, toilet soap and cigarettes which he distributed to the local people. Thus, single handed, he lowered the morale of the entire local population as they realized that the prisoners had access to all manner of nice things which they themselves had not seen since the beginning of the war. Dear Jesus, please give eternal rest to all those who died fighting for our freedom.
