

### NEWS FROM HEALTHIER FLEETWOOD:

**Fleetwood Carnival** - The weather may not feel like Summer just yet but there will be plenty of colour, community spirit and fun for Fleetwood Carnival on Saturday afternoon!

After many months of hard work by the organisers, final plans are being made for the Parade which starts from Marine Hall at 1pm. route will follow the Esplanade to pass the Knott End Ferry station, along Queen's Terrace before cutting in to North Albert Street and Lord Street.

After that, it's down to Poulton Street and Poulton Road as far as Carr Road before looping back around to the Esplanade and Marine Hall for a finish at 2.20pm/2.30pm. Notices for road closures have been put out along the route in advance.

Many local groups, schools and charities will be taking part plus the Carnival Queens' and Princesses - if you are not involved please show your support by lining the route. Stewards will be at some of the busier points along the route but more help is always appreciated. If you can offer a couple of hours please contact Cheryl on 07877 041194.

**Duck Hunt** - One of the fun things you might want to do from Friday is go on a duck hunt!

See if you can find one of the 50 'Defib Ducks' hidden by the volunteers from Wyre & Fylde Community Defibrillators. Post a photo on Facebook tagging the group and give your new friend a home!

### PS FROM BRIAN WOOD:

Sir Laurence Olivier and Dustin Hoffman starred in the film "Marathon Man" but Sir Laurence was not at all impressed by Hoffman's ability to act. In one take, Hoffman's character needed to be out of breath. He kept all the cast and the crew waiting whilst he went out of the studio and ran round the car park a few times in order to achieve the desired effect. He then came back onto the set, out of breath, to start the scene and apologized for keeping everyone waiting. Sir Laurence merely commented acidly "Try acting, dear boy." Dear Jesus, please give Laurence Olivier eternal rest and let him rest in peace. Amen.

### REPEAT NOTICES

### VACANCY FOR A HOSPITAL TEAM CHAPLAIN:

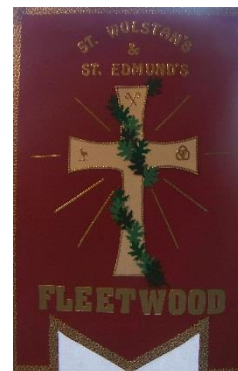

The Trust has just published a job advertisement for a Team Chaplain. In the Advert it advises that the position is open to both those seeking full time and part time working. This is because there is actually more than 37.5 hours' worth of vacancy in the department, and the number of hours worked by any individual successful applicant is open to negotiation at the interview stage. This position (these positions) are open to Catholics if they are prepared to work within the general Chaplaincy provision of the hospital. A link for more information is provided below.

### DO JUSTICE : A VISION FOR SPIRITUAL AND CIVIC RENEWAL:

At Caritas Social Action Network, we've just launched our Do Justice campaign. You can find out more at: <https://dojustice.co.uk/>

The aim of the campaign is to encourage Catholic parishes and schools to discern the needs of their local communities in the light of the Gospel and to act with the skills and resources they have at their disposal to bring about a more just society. These are some resources that we have created to facilitate the Do Justice campaign at the local level, particularly in Catholic parishes and schools across England and Wales. We are inviting parish communities to 'see' the needs of their local area and consider how the Gospel might call us to respond. We are also regularly updating our website with resources on other topical issues that you can view here: <https://dojustice.co.uk/resources/downloads/>
